Complaints and Appeals

Any staff, volunteers and participants who have any complaints regarding Cambridge United's safeguarding should refer to Cambridge United's Complaints and Appeals Policy. Cambridge United welcomes complaints that

can support the organisation to safeguard children and adults at risk in the most effective way.

Photography and Digital Images

Cambridge United FC utilises designated photographers within the Club to document activities and events. Parental consent must be obtained before any child or young person that in participating in a Club activity is photographed or filmed.

The exception to this, when written consent is not required, is when a child or young person attends the Abbey Stadium as a spectator (e.g. on a match day) whereby the parent/carer allowing their child to enter the Stadium they thereby provide consent for that child's image to be captured and used by the Club. This is in line with EFL Ground Regulations 25 and 27.

Preventing Radicalisation and Extremism

Protecting children from the risk of radicalisation is part of Cambridge United's wider safeguarding duty. As with managing other safeguarding risks, staff should be alert to changes in behaviour in children and young people that may indicate they are in need to help or protection. You should use your professional judgement in identifying children who may be at risk of radicalisation and report any concerns to a member of the Safeguarding team. If the team are satisfied with the concern, they will then refer it to the Police and Children's Social Care. If there is immediate risk of a terror activity taking place, you must call 999 or the Anti-Terrorist hotline on 0800 789 321.
